Risk Management Policy and Register 2026/2027

Adopted: 1 June 2026

Chair: Cllr. Lee Street

Minute Ref.: 260601/7

*Administered by Clerk and Responsible Financial Officer to
Barrow Parish Council.*

1. Background

Risks can be defined as any threat or possibility that an action or event will affect the interests of the Parish Council. Risk management is not a process of avoiding risk but an attempt to identify risk and assess its implications in order to make informed decisions.

While, some risks can never be fully eliminated, it is important to have a plan in place that provides a structured, systematic, and focused approach to managing risk.

The Parish Council is responsible for the management of risk in accordance with this plan. The Clerk is responsible for advising the Parish Council on risk assessment and for conducting their duties in a manner which avoids undue risks to the Council.

Most of the Parish Council's identified risks are covered by insurances taken out, i.e., public liability, employer liability, money, fidelity guarantee, property damage, official's indemnity, and asset insurance.

Risk assessment is a continuous process for the Council and this plan is not exhaustive. The Parish Council may wish to consider other risks not identified. The plan will be reviewed annually, and it should be read in conjunction with the Parish Council's Financial Regulations and Standing Orders.

2. Risk Assessment

Once the Council has identified its key risks, the next step is to assess the potential consequences of a risk occurring (Impact) and consider how likely this is (Likelihood). The risk assessment enables the Council to decide which risks it should pay most attention to when considering what measures to take to manage them.

The Council is using a simple numerical score (1 – 3) and multiplying the two scores to arrive at a risk assessment score for each risk of High, Medium, or Low.

LIKELIHOOD	Highly likely (3)	Medium (3)	High (6)	High (9)
	Possible (2)	Low (2)	Medium (4)	High (6)
	Unlikely (1)	Low (1)	Low (2)	Medium (3)
		Negligible (1)	Moderate (2)	Severe (3)
